

Team oodles 2009 bike ride

On June 14th ten of us will be cycling from Berwick upon Tweed on the Scottish border on a 384-mile trip back to Derby via the Lake District Pennines, the Yorkshire Dales and the Peak District.

Together in association with oodles we are hoping to raise a significant amount of money for our chosen charities.

Please call Mike Simpson on 07788 927 147 or Sarah Fullaway on 07725 073 590

Lewis Mighty has sadly been diagnosed with a very rare form of child cancer called neuroblastoma. Neuroblastoma is basically cancer of the nerve cells and as the nervous system is very complex treatment is also very complex, currently neuroblastoma has a 47% survival rate in Europe, but we live and pray Lewis is one of that 47%.
